

Authorized Service Provider for CommScope Torque Wrenches

Team Torque Inc. is the authorized service center for torque wrenches purchased from Commscope. Team Torque Inc. will provide a NIST traceable certificate for all torque wrench calibrations.

Commscope recommends torque wrenches should be calibrated at least yearly or if the tool has been dropped or malfunctions when used. For calibration and/or repair send your wrench along with your contact information and return address to the address listed below.

Team Torque Inc. will contact you directly with an estimate for calibration or repair to verify your payment option and return address.
